Home Office to Business Office!

Steps to Business Success:

1. Set up a formal business entity (an LLC to start works great): \$65 at commerce.utah.gov
2. Set up a digital phone line for your business: \$23 at <https://www.myacn.com/acndigital/> You can take this box and number with you when you travel. Enter rep number **01317718** when you sign up.
3. Get online! You must have a website. I designed my own to start. There are also free templates. www.GoDaddy.com is reliable and cheap (\$8/year) to register your name. Get real email too.
4. Set up a visual and noise barrier between your office and your home/family.
5. Get a contact management and financial management software solutions.
6. Get help...affiliate programs, virtual assistants, accountants, web designers, product creators, etc

Make a difference

when you speak!

Steps to Speaking Success:

1. Know your value!
 - What gives you the right to speak?
2. Identify your core message!
 - What can those individuals learn only from you?
3. Channel your passion!
 - Connect on a spiritual, personal, and energy level with each ONE in your audience
4. Get help...NSA, mastermind groups, organizations, classes, coaches, etc
5. Create PRODUCT to give your message a life of its own! This is where residual income begins.
